REACH (Registration, Evaluation, Authorisation and Restriction of Chemicals)
& **CLP** (Classification, Labelling and Packaging)

Status statement Dated 11th August 2021

Dear Sir/Madam,

According to the European Community Regulation No:(EC) 1272/2008, the CLP of substances and mixtures amending and repealing directives 67/548/EEC and 1999/45/EC and amending REACH regulation (EC) 1907/2006. In order to comply with The United Nations GHS (Global Harmonisation System).

REPL declare that they are not a manufacturer of chemicals, substances or preparations covered by the regulations.

We also declare that there are no substances of very high concern (SVHC) which are identified on the "Candidate List" in (EC) 1272/2008.

REPL are a downstream user.

We hereby confirm to comply with the REACH & CLP regulations and ensure ongoing legal compliance for business continuity.

Please note, REPL have a comprehensive list of Material Safety Data Sheets (MSDS) referring to any potential hazards associated with the application and use of our products.

If you have any specific questions regarding our products, please do not hesitate to contact me as shown below.

A handwritten signature in blue ink, appearing to read "G B Gardner", with a long, sweeping horizontal line extending to the right.
